SPECIAL WINTER WEATHER EDITION TUESDAY 2/23/21

Official news about the City of Cedar Park from the City of Cedar Park.

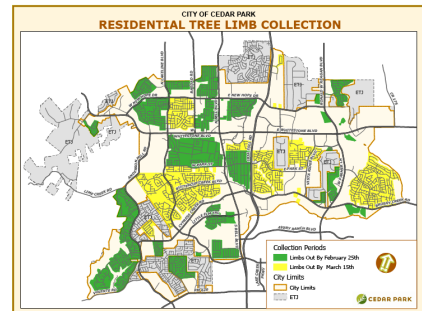

The best sources for timely information are our [City website](#) and [Twitter](#) and [Facebook](#) feeds.

REMOVAL OF DOWNED TREE LIMBS

1 CITY PICKUP

OPTION 1: Use the City's Residential Tree Limb Collection in your neighborhood starting Feb. 25 and Mar. 15 depending on your location.

- The City is divided into 2 groups: a **green** group and a **yellow** group. It will take a few weeks to work our way through each of these groups, so please be patient with crews.
 - The **green** group will start pickup February 25.
 - The **yellow** group will start pickup on March 15.
- No bundling needed.
- No charge.
- Just move the limbs as close as you can to the street without blocking the sidewalk or the street.
- City crews cannot enter your private property to pick up limbs.
- See the map ([click on picture for larger PDF](#)) and the drop down menus for lists of all neighborhoods in alphabetical order (both **green** and **yellow** groups) that will be serviced [here](#).

2 BUNDLE LIMBS FOR TRASH PICKUP

OPTION 2: Cut and bundle limbs for curbside pickup on your regular trash pickup day, starting this week (week of 2/22) and continuing on your regular pickup day each week.

- Each week you can place up to 7 extra items outside your trash cart (including limbs):
 - Bundles must be tied, no more than 4 ft. long, no more than 50 lbs.
 - Limbs no more than 4 in. diameter
 - See example on the right ([click on picture for larger version](#))

- No fee

③ HIRE A CONTRACTOR/LANDSCAPER

OPTION 3: Hire a private contractor/landscaper:

- Hire a private contractor/landscaper to assist you, at your own expense.

[Click here for all options and FAQs](#)

TRASH

- Everyone is back on their regular **trash-only** schedule starting this week (week of February 22).
- Trash pickup includes your green cart and 7 additional trash items on your regular trash day.

RECYCLING

- Recycling collection is back on schedule the **week of March 1**, beginning with Week A. Don't know if you are Week A or Week B for recycling? [See an alphabetical list by street here.](#)
- **Please do not put out your blue recycling cart on the curb until the regular schedule resumes.**
- If your recycling cannot wait, here are drop-off locations:
 - Williamson County residents: [The Williamson County Recycling Center](#) (in Hutto will accept Wilco residents' recycling during all business hours).
 - Travis County residents: [The City of Austin's Recycle and Reuse Drop-off Center](#) (serves all residents of Travis County. At this time, they are doing contactless pickup only)

We encourage you to check these centers for specifics on fees, hours, what is allowed and any other specifications.

[Click here to find your regular trash/recycling schedule for future use*](#)

*Use the top box titled "Trash/Recycling & Outdoor Watering Schedule".

Questions/concerns about how the recent winter storm could impact water bills? Will there be credit or adjustments for leaks, winter sewer averaging and water rates? To be discussed at Thursday's City Council Meeting. Update will be included in the February 26 newsletter.

Meanwhile, keep winter storm-related plumbing repair receipts.

City Council meetings can be viewed [here](#).

As we work to rebuild, consider using this self-reporting form created by the **Texas Division of Emergency Management** to keep track of damage caused by the winter storm. This information is being collected to help officials across the state gain an understanding of damage for individuals throughout Texas.

[To submit information click here.](#)

The President approved a major disaster declaration that included **our area**. Individuals and business owners who sustained losses in Williamson County and Travis County can begin applying for assistance from FEMA by registering [here](#) or by calling 1-800-621-3362 or 1-800-462-7585 TTY. FEMA assistance can include grants for temporary housing and home repairs, low-cost loans to cover uninsured property losses and other programs to help residents to recover from the effects of the disaster.
